By Gazette Staff

Ted's Montana Grill, an American dining restaurant, is the latest eatery to announce its plans to open up shop at Gaithersburg's Downtown Crown.

The restaurant owners have signed a 5,031-square-foot space with an outdoor dining area on Ellington Boulevard, according to Downtown Crown spokeswoman Tammy Murphy.

Dishes on the menu include bison nachos, St. Phillip's Island crab cakes and Kansas City Strip. The restaurant is expected to open early next year.
